

# SKF HD TENSIONERS

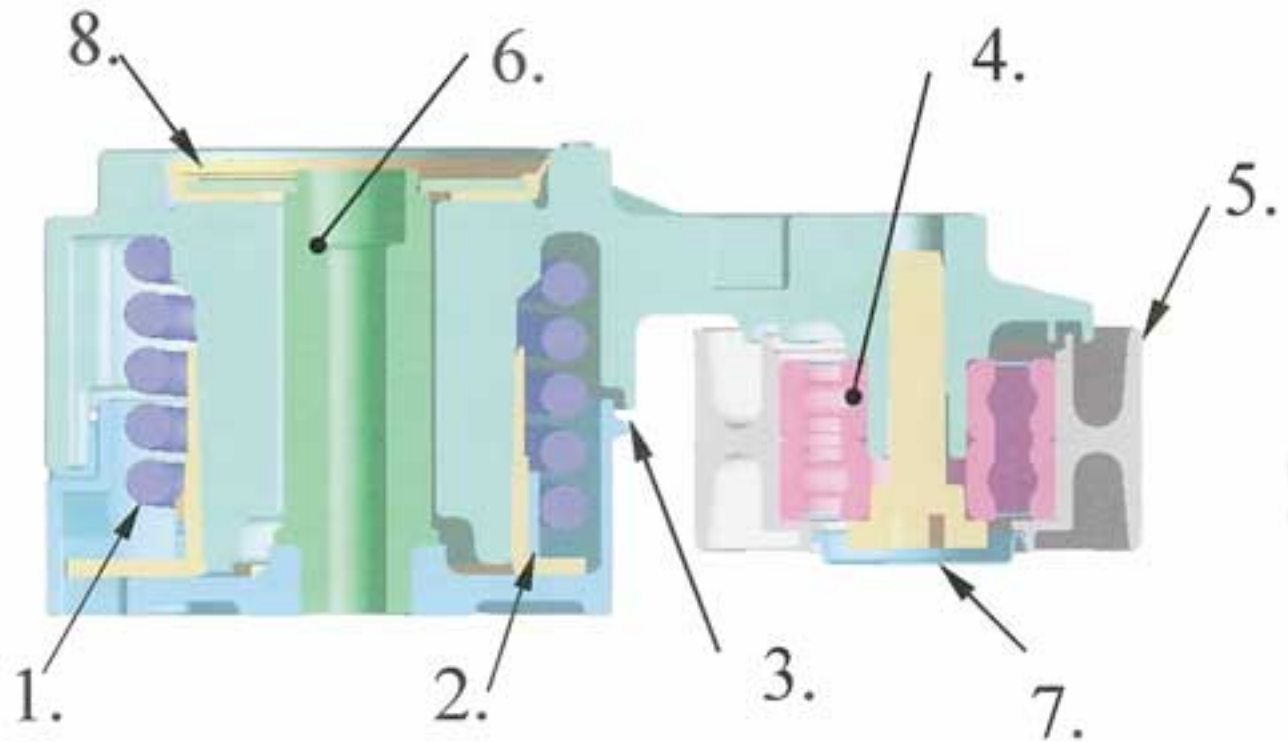

## Application and Interchange Information

SKF Part No.	Dayco Part No.	Application
VKM 910001	89405	Caterpillar C10/12; Gillig
VKM 910002	89404	Cummins, Detroit Diesel, Freightliner, Volvo
VKM 910003	89408	Caterpillar, Foden, Freightliner, Navistar
VKM 910004	89428	Volvo w/N14 (10K pulley) Cummins
VKM 910005	89420	Caterpillar C10/12 AC, Freightliner
VKM 910006	89413	Ford, Navistar 444 (late)
VKM 910007	89407	Ford Bus w/Cummins ISB
VKM 910008	N/A	Mack E-7
VKM 910009	89411	Cummins, Detroit Diesel, Navistar 444 (early)
VKM 910010	89401	Caterpillar, GM, Mack
VKM 910011	89415	Cummins ISC
VKM 910012	89418	Cummins ISM
VKM 910013	89417	Detroit Diesel
VKM 910014	89412	Mack, Navistar
VKM 910015	89409	Case, Cummins ISB/ISC
VKM 910016	89403/89219	Cummins ISB, Dodge Ram
VKM 910017	89410	Caterpillar, Detroit Diesel, Ford, Freightliner, Navistar
VKM 910018	89402	Caterpillar, Ford, Navistar, Orion
VKM 910019	89419	Detroit Diesel 60, Freightliner, Kenworth, Peterbilt
VKM 910020	N/A	Volvo VE-D12
VKM 910021	89406	Cummins ISC (Late)
VKM 910502	N/A	Sterling-Silver Star, Detroit Diesel 60
VKM 910503	N/A	Freightliner Century/Argosy, Detroit Diesel 60
VKM 910513	89414	Cummins 5.9 ISB
VKM 999001	89221	Ford Truck/Van Gas 7.5L
VKM 999010	89231	GM Truck/Van Gas
VKM 999020	89259	Isuzu/GM 6.6L Diesel
VKM 999025	89202	GM Truck 7.4L Gas
VKM 999041	N/A	Cummins 5.9L Diesel
VKM 999288	89246	Ford Truck/Van 7.3L Diesel

HD Idlers also available

# Features & Benefits of the SKF HD Tensioners

- 1) **ROUND WIRE SPRING:** Premium chrome silicon steel material for reduced tension decay
- 2) **"NOOSE RING":** Reduces tensioner motion for improved life
- 3) **LABYRINTH SEAL:** Stop contamination from internal components
- 4) **TANDEM 6303 BEARINGS:** Higher load capacity with long-life synthetic grease
- 5) **FORGED STEEL PULLEY:** Precision machined running surface
- 6) **PIVOT SHAFT:** 22mm diameter or larger pivot, electroless nickel plated for longer life
- 7) **PLATE SEAL:** Stops contamination of internal components
- 8) **SEALING CAP:** Prevents contaminant intrusion
